St Peter Port Capital Limited ("the Company")

### **New Investments**

The Company is pleased to announce that it has made two additional pre-IPO investments since it reported its Net Asset Value on 13 April 2011. We invested US\$2 million in a Brazilian iron ore development and have also made a follow-on investment of CDN\$2 million in Mongolia Minerals Corporation ("Mongolia Minerals"), at a 78% uplift in the price per share to our previous investment of CDN\$1 million.

The Brazilian development is an iron ore resource in the Minas Gerais province of Brazil and in due course our investment will be in Manabi Holding SA, a Brazilian company. Mongolia Minerals is acquiring and developing coal licences in Mongolia. Both companies have active plans to become public in the short-term.
